

The Board of Trustees establishes the following policies regarding registration:

### **Eligible Card Owners**

Any person who resides within the city limits of Dumont and county limits of Butler County will be issued a borrower's card, upon application, without a fee. Photo identification showing name and current Butler County address will be required. Photo ID without a current Dumont address will require a piece of mail that has been received at their current address as well as photo ID.

Any person who resides outside Butler County will be issued a borrower's card, upon application, without a fee. Photo identification showing name and current address will be required. Cards also may be issued to members of the family residing in the same household.

Children of any age whose parents have a valid library card and reside in Dumont and Butler County may own a card according to the discretion of their parents or legal guardian. Parental signature is required for persons under age 6.

When a child is accompanied by an adult other than a parent or legal guardian, a temporary card will be issued and an application and a letter of explanation will be sent to the parent or legal guardian for their signature. Return of the signed application along with the original mailing envelope will serve as parental permission for the temporary status to be removed.

New card holders will be allowed to checkout three books and/or one video/DVD/or CD at a time for the first three months. If the card holder is in good standing at this time, they will be allowed regular checkout privileges.
